

TOS 2017 Annual Meeting Continuing Medical Education Information for Learners

Accreditation and Credit for Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and the Obesity Society. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Boston University School of Medicine designates this live activity for a maximum of 18.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives

1. Apply the latest recommendations for evaluation and treatment; tailor intervention strategies based on patient characteristics such as age or metabolic or behavioral phenotype; understand the differences between weight loss and weight loss maintenance.
2. Understand the evidence-based science regarding neuroendocrine, endocrine, microbiota and cognitive mechanisms regulating energy balance and body weight. Apply that knowledge to develop and implement treatment options for adults and pediatric patients with overweight, obesity or obesity-related co-morbidities.
3. Implement appropriate testing strategies for diagnosing adolescent and pediatric obesity, evaluate current treatment options and emerging therapeutics and provide care and treatment to adolescent and pediatric patients accordingly. Teach evidence-based strategies for obesity prevention in the pediatric and adolescent population.
4. Apply lessons learned about the impact of: nutrition and obesity initiatives to reduce health disparities; genomic research's near exclusive use of white populations on the future of precision medicine initiatives; and federal nutrition and obesity policies on health disparities.

5. Apply new knowledge related to dietary intervention and physical activity from the perspectives of Metabolism and Integrative Physiology, Neuroscience, Intervention and Clinical Studies, Population Health, Clinical/Professional Practice, and Policy/Public Health.
6. Incorporate knowledge about coding for reimbursement into the clinical practice of health care providers to support their ability to treat the underlying disease of overweight and obesity. Incorporate knowledge about best practices to develop and run effective clinics that treat overweight and obesity.

Commercial Support

Educational grant in partial support of the conference was received from Olympus and Apollo Endosurgery, Inc.

Faculty and Planning Committee Disclosure Information

Boston University School of Medicine asks all individuals involved in the development and presentation of Continuing Medical Education (CME) activities to disclose all relevant relationships with commercial interests. This information is disclosed to CME activity participants. Boston University School of Medicine has procedures to resolve all conflicts of interest. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed. The ACCME Disclosures column lists any relevant financial relationships in accordance with the ACCME’s definition of a commercial interest were provided by all persons that affected the content of this CME activity. The TOS Disclosures column contains food, weight loss, and supplement industry disclosures.
