

TOS 2017 Review Course Continuing Medical Education Information for Learners

Accreditation and Credit for Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and the Obesity Society. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Boston University School of Medicine designates this live activity for a maximum of 17.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives

1. Use evidence-based diagnostic/assessment tools to determine which treatment is most appropriate for specific patient types.
2. Develop appropriate behavioral, pharmacological and bariatric approaches for the treatment of patients with obesity.
3. Apply the options that are currently available to develop strategies to treat patients with obesity including dietary strategies, physical activity interventions, medications and surgical options.
4. Implement evidence-based approaches for the treatment of obesity and to be able to explain it in terms easily understood by the patient.
5. Incorporate evidence-based factors that predispose patients to weight gain including genetic factors, relevant neuropeptides, alterations in energy expenditure and environmental factors.
6. To acquire strategies that foster translation of predispositions into appropriate clinical treatment for patients with obesity.

Commercial Support

No commercial support was received for this activity.

Faculty and Planning Committee Disclosure Information

Boston University School of Medicine asks all individuals involved in the development and presentation of Continuing Medical Education (CME) activities to disclose all relevant relationships with commercial interests. This information is disclosed to CME activity participants. Boston University School of Medicine has procedures to resolve all conflicts of interest. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed. The ACCME Disclosures column lists any relevant financial relationships in accordance with the ACCME's definition of a commercial interest were provided by all persons that affected the content of this CME activity. The TOS Disclosures column contains food, weight loss, and supplement industry disclosures.
